

## Quadruple Plate Silverware.

We have something now that we know will be received with great favor, for two reasons. In the first place, it is useful, artistic and good; in the second place, it is a bargain.

We are talking about the magnificent tea set shown in the illustration above. It consists of four pieces—teapot, cream-pitcher, sugar-bowl, and spoon-holder. The cream-pitcher and spoon-holder are gold-lined. It is frost finish, with bright trimmings. It is delicately chased. The forms are pure, modeled after examples of Greek classic art, as will be noticed in the illustration.

We have secured a teapot of extra large size, being about one-third heavier than in the ordinary silver service. The ware is quadruple plate, so stamped and guaranteed. It is just such a set as sells in the ordinary retail stores for from \$8 to \$9. We have been very particular to get a specially desirable quality of ware from a standard manufacturer, and of the latest and most fashionable design. Any family not already fully supplied with artistic table furnishings will find this set all that can be desired. It cannot fail to give satisfaction. We will send this set complete, carefully packed in a wooden box, by express, to anyone who will send us a club of six yearly subscribers to THE NATIONAL TRIBUNE and \$1.50 extra, to pay packing and incidental expenses.

If, however, anyone should desire the teapot without the other pieces, we will send it to any address for a club of five, without any additional money. If the sugar-bowl, cream-pitcher or spoon-holder should be desired by those who are already supplied with a teapot, we will send these three pieces as a premium for a club of three for each piece, without additional money. In all cases these goods are sent by express, and the receiver will pay the charges, more on account of convenience and dispatch in doing business than for the amount involved, because the charges will be but trifling to any part of the country where there is an express office.

Editor National Tribune: I received the silver tea set in due season. Many thanks. They are splendid. I am delighted. I shall always prize them, as I worked for the soldiers' friend—The National Tribune. I hope soon to get up another club. I have no trouble; only show the paper. Yours in F., C. and L.,  
Grand Rapids, Mich.  
Mrs. Wm. C. Parker.

## The National Watch Chain.

No. 5.—We have had made specially for subscribers a Watch Chain which is to be a token of personal service by its wearers in defense of their country. In the center is the star of the Grand Army, and on either side are the crossed cannons. It is made of heavy rolled gold, warranted for 10 years' constant wear.

It will be mailed to any subscriber for a club of 15 yearly subscribers.

## PATRIOTIC JEWELRY.

### G.A.R. Sleeve-Buttons.

Thousands of our subscribers during the past 30 years have secured a pair of these cuff-buttons, which we have made especially for our use as a premium. They are gold plate and the emblematic device is shown in the illustration. They are not cheap stuff, and every veteran should have a pair. They are sent, postpaid, as a premium for a club of only

three yearly subscribers.

yearly subscribers.

## JEWELRY.

### G. A. R. Badge Charm.

No. 292.—This charm is an exact reproduction in gold plate of the official G.A.R. badge. The colors of the original are reproduced in enamel upon the gold. It is a beautiful charm and is worn by thousands because it is more convenient than the heavy bronze badge, which need only be worn upon occasions of ceremony. This beautiful charm is sent free, postpaid, for a club of

five yearly subscribers.

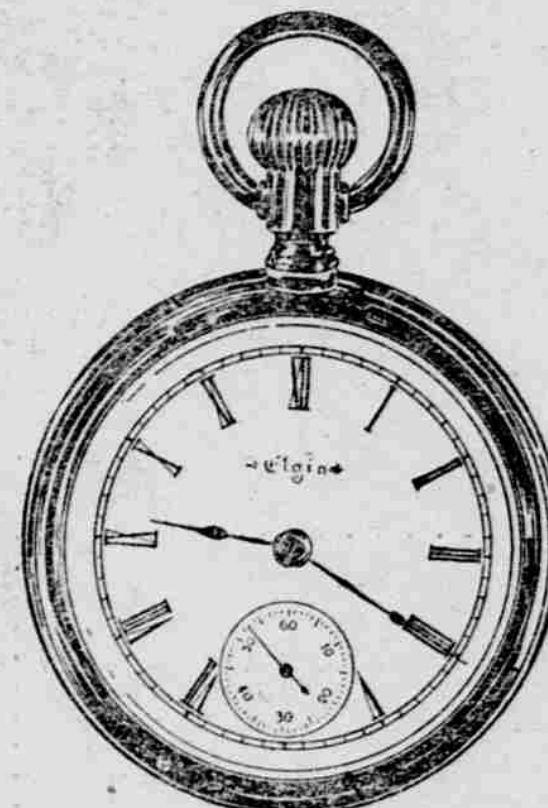

No. 291.—This beautiful charm for the watch-chain is made of rolled-gold, and is an exact reproduction of the bronze pendant of the official G.A.R. badge inclosed in a circle, as shown in the cut. It is beautifully enameled, and is very popular among the old soldiers, and is sent free, postpaid, for a club of

only two subscribers.

## A NEW ELGIN WATCH.

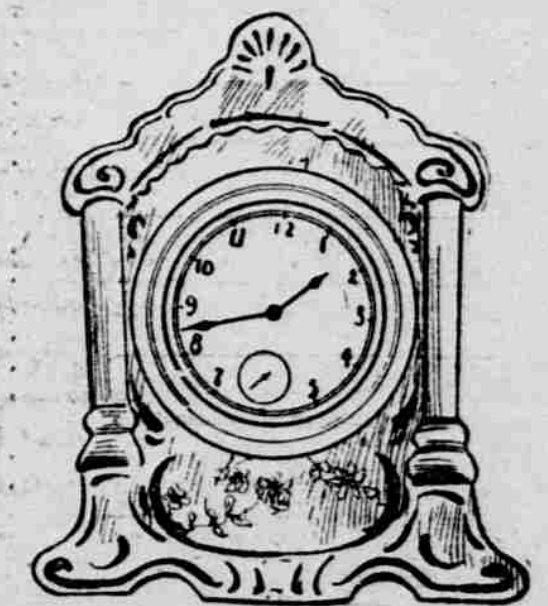

A Splendid Timepiece Free for Club-Raisers.

We have just secured a new Elgin watch, the make of that famous company, which needs no recommendation for excellence of its work. This watch is a stem wind and stem (pendant) set movement. The case is nickel and is the same clear through. The movement has all modern improvements, such as compensation balance, hair spring tempered in form, with the best dust-proof device. It is open-face, with a porcelain dial. In fact no better timepiece was ever made, and it is warranted by the manufacturers. This guarantee we assume.

This watch will be sent as a premium, postpaid, for a club of only 10 yearly subscribers, with 50 cents added money for the incidental expenses of packing, postage, etc. For the watch itself we make no charge, but give it free as a premium for the club.

## DECORATED CHINA CLOCK.

One of the prettiest and most popular household articles. Has a reliable one-day movement, and is inclosed in a china case, with gold and color decorations. Given for a club of five.

## TWO ABOUT AS CHEAP AS ONE.

Family Publications on Easy Terms.

THE NATIONAL TRIBUNE, the favorite weekly. And THE HOME MAGAZINE, an illustrated monthly devoted to household affairs, fashions, and literature specially designed to please the ladies.

The subscription price of THE HOME MAGAZINE is 50 cents a year, and THE NATIONAL TRIBUNE being \$1 a year makes the price of both, taken separately, \$1.50. We have made an arrangement with the publishers of THE HOME MAGAZINE by which we can send both publications for one year to any address for only \$1.10. If the two Greeley books are also wanted, send \$2.10, adding always the other dollar for the Greeley books. This offer will be withdrawn Jan. 1, 1899.

## HANDSOME SILK UMBRELLA.

We send a handsome black silk umbrella, with steel rod, paragon frame curved Congo handle, silk case and tassels, close rolled, and extra finish, for a club of only TEN yearly subscribers to THE NATIONAL TRIBUNE at \$1 each.

Our 13 "war books" are sent FREE for a club of 9. This offer does not include the Greeley books, which always cost \$1 by themselves.
